

2023 ITNS Annual Symposium

October 12–15, 2023

HYATT REGENCY DALLAS, DALLAS, TEXAS, USA

In Person and Virtual

ATTEND THE PREMIER TRANSPLANT NURSES MEETING OF THE YEAR!

The ITNS Annual Symposium presented by the International Transplant Nurses Society features world-class speakers providing cutting-edge research and clinical information in transplant nursing. Attendees will have the opportunity to continue their professional education in a highly respected, stimulating environment, while earning continuing education credits and CEPTCs.

Engage in innovative sessions, address evolving issues, and connect with an international organization of nurses devoted to the advancement of transplant nursing excellence.
